ATLANTIC-PACIFIC TRADING CO. Post Season

CL#40

Just like tv.....tv ,you remember, the boxy lookin' thing in your den or living room that shows football games in the fall... Ah! Now you remember...Where was I...oh yes... Fall finally arrived and we hear harvest has progressed rapidly in most area of the U.S.

2010 marks the 30th year that Hook has been marketed across the land. Remember Hook is an anionic, cationic, and non-ionic surfactant making this multifunctional product... unique!

If proof is in the performance then....Performance=HOOK!

We wish to thank you for using and selling all our products-----HOOK-----MIC-RO-PAC-----UpGRADE and **WORK-HORSE**.

We continue to receive favorable use comments from all over the country and below are some of the positive grower/retailer comments.

HOOK... 'The' multifunctional adjuvant

"When added to glyphosate kills weeds faster." "Helps the herbicide kill tall weeds and grasses." "Hook enhances my systemic fungicide" "Have confidence in Hook"

"Hook gives me better coverage and penetration." "Enters the plant leaf very fast."

"Great Drift Control Agent "Rain fast in less than 30 minutes."

"Add Hook in every tank" "It really will pay for itself."

MIC-RO-PAC... 'Add First' -balances pH

"Great foliar formulation "Mic-Ro-Pac works well with all pesticides." "Hook and Mic-Ro-Pac enter the plant very fast" "An immediate response from the crop" "An economical foliar fertilizer to use."

UpGRADE...Slow release for Urea

"Only 3 quarts per ton urea." "Dries in 3-5 minutes" "Does not plug my blender" "Does not plug my spreader due to wetness" "Very economical to use as a slow release nitrogen agent."

Work-Horse Tank Cleaner...Does more than clean

"A very aggressive spray tank cleaner". "Cleaned out 2,4,D,dicamba, flumioxazin and atrazine." "Does a good job of cleaning my poly storage tank" "The best spray tank cleaner we have used!" "Has no ammonia, chlorine, or bleach in it."

Thanks again for using all our products in 2010. We are here to assist YOU!
Please put these products on your early order purchase list for the 2011 growing season.

Remember...."ADD HOOK LAST"
